Hi Austin,

I am attaching a comment letter we received from Earth Justice during the public comment period for the South Coast Heavy-Duty trucks incentive measure. I was thinking it may be useful as you prepare your documentation for the SJV Ag incentive measure.

Thanks,

Rynda

Hi Austin,

Thursday, July 18<sup>th</sup> in Modesto works well for us. Taking our previous in-person meetings as an example, how about the following in terms of timing and agenda:

**Thursday, July 18<sup>th</sup> 10am-2pm**, with a 45 minute break at 11:30/12 to stretch legs and get food to bring back for a working lunch?

- Introductions
- ARB overview/background of this incentive measure
- Questions and comments on draft demo (walk through the demo)
- Next steps on measure
- SJV/CARB update on plans/timing for incentive measures for SIP credit

We would need access to a room with computer projection to walk through the document and perhaps a phone line for anyone who cannot make it to call in. Do you know who from SJV might attend and who could arrange the meeting at their offices?

We would also request the draft measure and relevant excerpts from the applicable incentive program guidelines by 6/28, if possible, to give us time to do our review.

How does that sound?

Thanks,

Rynda

Hi Austin, yes I think 7/18 may work, and am holding that date, and the 16<sup>th</sup> on EPA calendars. Modesto seems to be centrally located for all of the parties and looks like it might also work for us, but I'll need to confirm with Rynda on both the location and date when she's back on Monday.

Thanks!

Rebecca

Hi Doris and Rebecca,

Is July 18 a possibility? If not, we can make July 16 work. San Joaquin Valley APCD staff are aware of this meeting, but made a suggestion of meeting in Modesto for ease of travel from Fresno. What are your thoughts on meeting in Modesto? Has SJV staff traveled to your San Francisco office in the past?

Thank you.

Austin

Austin – please feel free to contact myself or Rebecca next week if you have any questions about scheduling this meeting. If July 16<sup>th</sup> seems too soon to have an in-person meeting, maybe we could have a longer conference call first and then follow up with the in-person meeting later this summer. We are also open to having two in-person meetings if that would be helpful.

Hi Austin,

I started looking into calendar dates for our in-person meeting on the Ag incentive measure you are preparing. We talked about meeting the week of July 15<sup>th</sup>. Looking at calendars, it looks like July 16<sup>th</sup> could work for us. Would that be possible for you? If you could get us the documents by the end of that last week of June we would have enough time to review and prepare.

Thanks!

Rynda
